Empower: Women United in Philanthropy is focusing women's leadership to prepare our children for kindergarten.

Empower: Women United in Philanthropy was created in May 2007 with this mission: to focus women's leadership to effectively prepare our community's children for kindergarten.

Children who start behind stay behind. The lack of school readiness did not develop overnight. Addressing the problem requires focused, sustained efforts. This is why *Empower* is dedicated to investing all dollars to get tangible results that improve children's lives birth to age six.

Empower's goals and priority areas include:

- **Advocating for basic needs of children ages 0-6**
 - Health
 - Nutrition
 - English Language Skills
- **Supporting educational learning opportunities for children ages 0-6**
 - Childcare/Preschool
 - Parents/Caregivers
 - Creating Access to Resources
- **Promoting community progress towards school readiness**
 - Creating Awareness
 - Convening Partners
 - Measuring Results
