

My name is Ross.

I'm the 2009-2010 board presidents for United Way of West Central Minnesota. I have volunteered on the board of directors for the past three years. As someone that grew up in Willmar, moved away and came back to our community; I have found that our region has gone through a number of changes in the last 25 years. United Way was there to help make those changes positive for our area. Today in West Central Minnesota, there are many key issues that need to be addressed and United Way is at the forefront creating a brighter future right here at home.

With every event or opportunity I participate in, I feel more involved in our community to make changes and LIVE UNITED. Committed to West Central Minnesota through United Way, that's how I LIVE UNITED.
