LIVE UNITED™ 

It's that time again....

3rd Annual Undie Sunday Drive!

United Way of West Central Minnesota invites you to join our community for Undie Sunday. Local agencies that serve the people in our community have a shortage of new undergarments, personal hygiene and feminine hygiene products.

United Way of West Central Minnesota is once again hosting a month long campaign through our county's churches to help supply agencies like the **Shelter House, Salvation Army, Family Services, and Heartland Community Action** with feminine hygiene products, personal hygiene products, and new undergarments of every sort: boxers, briefs, bras, teen & women's underwear, and undershirts.

We are hoping to have drop boxes in churches throughout Kandiyohi County during the entire month of May to coincide with our 10th Annual Day of Action. Churches can then drop off all collections at United Way of West Central Minnesota where agencies will sort through the collections and disperse them to those in need.

We hope that your church will hop on board again and assist us in making this a successful drive.

Enclosed in this letter is a poster and sample bulletin release for your church offices. You may also go online to www.liveunitedwcm.org to download extras of both.

If your church would like to participate in Undie Sunday, or if you have any questions please contact United Way of West Central Minnesota 320.235.1050 or www.liveunitedwcm.org

Last year was once again a huge success. Thank you for your help and commitment to those in need. Our community gathered more than 300 pairs of underwear along with socks, bras, undershirts, hygiene products and more. We hope to raise even more this year in order to meet the growing need.

Thank you for LIVING UNITED and creating a stronger community.

United Way of West Central Minnesota works to improve people's lives by mobilizing the caring power of West Central Minnesota.
